Instructions for Form ST16

Under Minnesota law, some nonprofit groups may purchase certain kinds of items without paying sales tax. These groups must have received formal exempt status authorization from the Minnesota Department of Revenue and use Form ST3, Certificate of Exemption, in order to make tax-free purchases. **The certificate is good only for purchases made by the nonprofit group; it does not allow the group to sell items without collecting sales tax.**

Not all nonprofit groups are eligible for exempt status. Read the list below to determine if your group is eligible, and if you should use this application.

Use this application if your group is:

- Organized and operated exclusively for charitable, religious or educational purposes and have obtained exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code; or
- A senior citizen group that is organized for pleasure, recreation or other nonprofit purpose, not including housing. The group must be an exempt organization under 501(c) of the Internal Revenue Code and must limit membership to those who are age 55 years or older or are physically disabled; or
- A youth group that is organized for pleasure, recreation or other nonprofit purpose. The group must limit membership to those who are age 18 and under.

Please note: Nonprofit organizations that qualify for federal income tax exemption are not automatically exempt from Minnesota sales tax.

Examples of nonprofit organizations that may qualify for sales tax exempt status include churches, private schools, colleges and universities, museums and historical societies, youth organizations, senior citizen groups, home schools, and volunteer fire departments.

Examples of organizations that do not qualify for sales tax exempt status include Chambers of Commerce, Knights of Columbus, Masonic Lodges, city-run celebrations, homeowners' associations, fraternities, sororities, lake improvement associations, medical clinics, Jaycees, Kiwanis and Lions Clubs, adult sports clubs of any type, trade associations, prayer societies, professional associations, and social clubs.

Federal agencies are automatically exempt from sales tax when making direct purchases; they do not need an exemption certificate. A purchase order or payment

voucher to the vendor showing that the purchaser is a federal agency is sufficient. (Most state and local government agencies are not exempt.)

What is exempt?

The exemption is limited to purchases of items used in the performance of the charitable, religious or educational functions of the exempt organization. The item or service must be sold directly to the exempt organization.

Sales tax exemption does not apply to the following, so you must pay sales tax on:

- prepared food, candy, soft drinks, and alcoholic beverages, including catered food
- lodging
- gambling equipment and supplies
- most motor vehicles
- 6.2% car rental tax and 5% car rental fee

You must also pay tax on waste collection and disposal services (although this is a special tax, not a sales tax).
